Professional technology for shopping...

### Flip-Box® - Classic - easy to use and helpful...

Using energy-saving technology the multi purpose insulation box is made of one material (EPP) only! It is completely foldable and fits into even the smallest car boot. Just unfold within 5 seconds - and gain 23 litres of transport volume ready to keep foods or drinks fresh and carry them safely. Flip-Box is the stable and durable storage box for daily use.

Fits into every car boot...

The awarded design can be individualised in colour, printing and surface to create your own branded product.

Individual: 3d branding by laser engraving...
